MEMORANDUM FOR: Acting Director of Central Intelligence

FROM: SA/DCI/IA

SUBJECT: NSPG on INF and Lebanon, 18 March 1983

1. I have just learned that the meeting has been changed from an 11:00 start to a 1:00 start. Lebanon has been added to the agenda with INF. As yet we have received no papers on Lebanon. I will provide <sup>them</sup> when they become available.

2. The following items are provided for the INF aspect of your meeting tomorrow:

- State Paper: Next Steps in INF. [ ] of ACIS said the basic paper is well done but omits consideration of analogous Soviet deployments. He has suggested a change (Tab B). 25X1
- Possible Analogous Deployments. We have included a discussion piece on analogous Soviet responses. It notes the establishment of an interagency task force to monitor possible nuclear weapons deployments to Cuba.

3. I have also included recent NID articles, a point paper on prospects for INF deployment (this was provided to the DCI for his European trip), a compendium of Pavlichenko's recent statements, and press clippings of the four alternative options under study for this "secret close-hold" meeting for which my NSC counterparts did not have access to the discussion paper.

4. ACIS will provide tomorrow morning a piece on INF monitoring issues. I have no indication that you will be called on to speak on any aspect of this issue but I thought you should be prepared.

5. Please let me know if there is anything else I can do for this meeting.
